In this new collection writer climber and adventurer David Roberts reflects on the challenges of keeping one's life adventurous in the face of a radically changing world. These 21 essays, some published here for the first time, take readers from climbing adventures in Iceland to ancient cave burial sites in West Africa to history in the making in Tianamen Square.

McMurtry paints a portrait of his parents' marriage against the harsh, violent landscape of West Texas. It is their roots, laced with overtones of hard work, bitter disappointment, and the puritan ethic that McMurtry challenges by traveling to Tahiti, a land of lush sensuality and easy living with fascinating detail, shrewd observations, humorous pathos, and unforgettable characters. He begins to answer some of the questions of what paradise is, whether it exists, and how different it is from life in his hometown of Archer City, Texas. **Book Jacket**
